Dear Mr. Carlsson:

I am writing to acknowledge the gift agreement from the SCA Network to the University of Michigan Health System Department of Neurology benefiting the work of Dr. Paulson.

Our investigative efforts at the U-M flourish through generous contributions from organizations that believe in our mission. Your support plays a vital role in research of gene silencing in Spinocerebellar ataxia type 3 and allows us to pursue unique and novel innovations that have a significant impact. Michigan is fortunate to have your investment in our future.

Thank you for your thoughtful philanthropy.

Sincerely,

Jerry A. May
